

Welcome to

Tale of the Whale

restaurant

We know you have numerous dining choices on the Outer Banks and we're delighted that you have come to our restaurant. Our customers frequently ask us to explain the "Tale" of the Whale and we're always happy to oblige.

The Tale of the Whale Restaurant is the legacy of one man, Don Bibey. Having spent his entire professional career in the food industry, Don traveled the world while in the United States Air Force. On his travels, he collected many excellent recipes and ideas intended to enhance the dining experience. In 1980, Don and his wife Carole opened their own restaurant dedicated to a simple principle –

*"To serve good food in ample portions
with superior service in a comfortable setting"*

Don and Carole chose Whalebone Junction as the perfect location for the pursuit of their dream. No other restaurants were using a whale motif at that time and since Don and Carole were both interested in "saving the whales" the name they chose seemed appropriate. It has been their hope that folks will support the plight of these gentle giants as they continue to be threatened by man.

The Tale of the Whale Restaurant operated successfully for 17 years under Don's guidance and direction until his passing in 1997. Carole continues to uphold the tradition, along with their son Dan and his wife Kathy, out of a strong respect for Don and his high standards of fine dining. Their desire is for The Tale of the Whale to continue to meet Don's ideals for many generations to come.

We hope your dining experience here is a pleasant one and that you will allow us to become part of your family's tradition here on the Outer Banks.

Thank you for dining with us –
The Bibey Family & Staff
